To the family: We were saddened to hear the passing of Pat. She was a great lady. I can remember babysitting for the kids when they lived in Centreville. She was always full of smiles, fun and wanting to chat. Her memories will live on in your hearts forever. Take heart. Time will soften the edges and ease your burdens. We hold you safe in our hearts at this time of sadness. God bless and Prayers. Gene and Lynda Palmatary

“ I had the pleasure of taking care of Miss Anthony over the past few years and let me tell you she was a firecracker. We formed a special bond that I know I will never find again. She was such a caring person and very very knowledgeable. She loved to tell me all about her family and how much she loved each member. She would ask me each morning how I was doing and how much she missed me when I wasn't there. That meant so much to me . I loved her so much and I will miss her , but she is at peace now. I pray that God touches her family and brings a calming peace . Miss Anthony we shared the same first name Patricia which means noble one. And that is what you are .May you rest in peace and know that you were very loved ❤️

Patricia Arevalo - February 01, 2021 at 06:31 PM

BT

Trish, thank you so much. Our family knew that when you and Christine were working we had nothing to worry about. She loved you as another daughter and held you in very high esteem. It is only right that you two share the same name because you both are Noble Ones. We can never thank you for the stellar care that Mom received while under your care, if only the rest of the aides had your dedication and compassion.

“ I want to let Miss Pats family know how much I'm going to miss her. We were roommates for 13 months 24/7 in our room at the nursing home. She treated me like one of her daughters. Of course we had our times when we didn't always get along. But we always got over it and back as if nothing happen. She loved to arrange and rearrange her things over and over I am truly going to miss her. I'm praying for her family to always remember the best times. Be there for each other!!

Bonnie Turlington - February 01, 2021 at 05:15 PM

BT

Ms. Bonnie we are all so grateful that you were our mother's room mate. She cared deeply for you and always told me "make sure you bring Bonnie some too". It was hard for both of you to live together in a small room sometimes, But we always knew that you two would work out your differences because you both cared about each other.
