“ *My deepest condolences to Pat's family. She was one of a kind. A true pleasure to be around and such a class act. !!! I truly admired her and learned from her to live every minute and enjoy life to the fullest. My fondest memories are doing 4 day west coasts trips that we bid for the shopping and dining. Flying w/Pat was more like a vacation that work !! I also admired her deep love for animals. You will be missed Pat. Kathleen Colleran###imported-begin##Katlheen Colleran###imported-end##*

“ I was very sorry to hear of Pat's passing. She was a pleasant lady and it was always a pleasure to be with such a professional when we worked together at Piedmont/UsAirways. Locally, my wife and I always enjoyed her seasonal porch displays in St. Michaels. She was a lovely lady and will be missed.##imported-begin##Richard Sears##imported-end##

“ Pat was a close friend back in the 1980's. We were supervisors together in Washington National Airport. I know life has been difficult for her since Tom died...maybe now she is at peace. My heart felt condolences to her surviving family and friends.##imported-begin##Maxie Brien##imported-end##

“ Rest in peace, Pat. You were among my most favorite, always. I loved that you made us all look like a class act crew, always sporting your pearls and coral lipstick, but your best accessory was your laugh! You genuinely cared about everyone else and what was going on in their lives and we equally enjoyed hearing about your life with Tom Henry-I don't think you ever referred to him as just Tom, always the whole name-loved that! You will forever be in our hearts. Sorry for our loss, but heaven is no doubt an even better place, now!###imported-begin##Kathy Simpkins##imported-end##

“ I am so sad about Pat. She was a good freind and I will miss her as I know others will. She had a terrible time after Tom died and knowing there are together makes her passing easier to take. Barbara Ann Hayes###imported-begin##Barbara Ann Hayes##imported-end##

“ Oh Patricia Ann,

I am never going to forget the fun we had and the laughs that we shared! You Tom, and Stoli were an integral part of my early grown up life in DC life! I don't remember which of us was Lucy, or who was Viv, but it was you and me together, girl, in one caper after another! I will always envy your fashion sense and Southern charm. I will miss hearing you arrive at the hotel the night before a supervisor's meeting...the thumping and bumping of your "steamer trunk" ;) bouncing off the walls in the hall as you dragged it to your room! The Inn at Perry Cabin, St. Michaels Yacht Club, on the boat with Tom and Stoli. Shopping at Garfinkels (you were right, DC never WAS the same after Garfinkles closed)! Thanks for the great memories. I'm going to miss laughing with you (nobody did it better)!
