“ *Patso I am so grateful I had you in my life. You were gone too soon. You are greatly loved and forever missed. Fly free now my sister, you earned your wings. Xoxoxo Love, Tweety*

“ *My brother and I lived in the same building at Courthouse Square as the Kelly girls. I remember Pat as being so mature and responsible, she really had her act together. She gave Evy advice on how to pierce my ears 50 years ago. At the time she seemed so much older but now I think she was much too young to go. My condolences to your family.*

“ I always enjoyed my high school friendship with Pat. We had a running (lame) joke after a social studies report we shared on Africa. To remember facts we made a phrase. “ Kenya?! No, I can’t! I’ve got a Sorghum!” Lol! We said that to each other at gatherings for years! She will be missed! A compassionate woman with great sense of humor! 💜 Shirley MaderDodson RMHS 1966

I will remember Patricia always as a fiend and writing colleague who taught me so much. Sicily, Patricia's little Italian Greyhound who came to live with me after Patricia's illness, is happy and healthy and a beloved pet. Marsha
