“ *I'm so sorry to hear of the loss of Aunt Patsy. She was a wonderful bright light to all that knew her. She was an admirable matriarch and our thoughts and prayers are with all of the Knaggs family during this time of grief. Lael and Gordon Kiesling and family.*

“ *Patsy, my wonderful first cousin, was an inspiration to me, including among much else her constant search for knowledge, including taking at an advanced age a course in physics. Her spirit was indomitable, admirable, an excellent model of how to live life thoughtfully but enjoyably. Our loss is heaven's gain. Don Killgallon*

My dear friend Pat. I just found out about your passing. I'm so glad we were able to catch up last fall and so very sorry we couldn't get together again. Thanks for more than 40 years of friendship and shared work time. Condolences to the Knaggs family. She loved you all dearly.
