

Patricia Emaline Knapsack

May 29, 1939 - November 18, 2025

Patricia Emaline Knapsack, 86, of St. Michaels, Maryland, passed away peacefully on November 18, 2025.

Patricia lived her life with a spirit that was unmistakably her own. She was strong-willed, honest to a fault, and fiercely loyal to the people she loved. Those who knew her best will remember the way she spoke her mind, stood her ground, and showed up—always—with determination and love. Her presence filled every room she entered, and her strength became the strength of her family.

She leaves behind her children, Tricia Grover, Shawn Culver, and Brant Knapsack, who carry with them not only her lessons but also her grit, humor, and unshakable love. Her grandchildren—Lee Brilliantine, Kaylin Knapsack, Brendan Knapsack, Makenna Culver, and Duncan Culver—will forever remember her as the grandmother who loved deeply, told the truth plainly, and never apologized for who she was.

At this time, memorial service arrangements are still being made, and the family will share details once they are available.

The family invites all who knew and loved Patricia to hold her close in their hearts, to share a story, or to remember her in whatever way feels truest. In these memories, her spirit lives on.
