“ *So many memories, all of them filled with the resilience, hope, compassion, faith and joy that characterized everything Pat did (because that's who she was!) We spent time together at the (then) Church of the Resurrection in East Baltimore one summer when I was the congregation's vicar and she was doing a summer parish internship. We sat on the front steps chatting while neighborhood folks waiting at the bus stop occasionally came up to ask "What is the place? A funeral home" -- usually a question from the kids! -- or even to get some off-the-cuff pastoral advice. Our conversations continued in the VTS refectory when I stopped by for a visit, and later when I worked at St Bede's Books and she stopped by to see what books were in stock. The best conversations were always about places and people (and dogs too) she dearly loved. May her memory be a blessing to all who knew her. Prayers abound as she enters eternal life.*

“ My husband Al and I met Pat when she came to serve as deacon at St. Mary;s Episcopal Church in Emmorton, Harford County Maryland. Al often served as an acolyte at the 11 AM Sunday service with her, and also had the honor of serving at her ordination at St. Mary's. Pat quickly became our friend and we shared many happy times together, including lunches and dinners and at least one trip to Camden Yards to attend an Orioles game. Sadly, we lost direct contact with Pat after her time at St. Mary's ended, but we cherish our fond memories of our happy times from those past days. We pray that Pat may rest in peace and that light perpetual may shine upon her. Nancy Dieter
