

## Patricia Ann Nulph

January 25, 1936 - March 8, 2026

Patricia Ann Nulph passed away on March 8, 2026 in Hospice care, near her home in Chester, Maryland. She was 90 years old.

Born January 25, 1936 in Baltimore, Maryland. She was the daughter of the late Hugh Clifton Carr and Genevieve Fitzpatrick Carr.

Patricia was the youngest of five. Times were difficult then, the family survived with honesty, hard work and tenacity. Traits she would carry throughout her whole life.

After graduating high school, she went to nursing school and became a registered nurse.

She married Alfred Laverne Nulph in 1962. Happily married for 54 years. He was the love of her life. Alfred's career as a field engineer took them places. They and their two children traveled often and got to experience the beauty of our grand country. They traveled across the country many times in a camper. Patricia said "oh Alfred this is so beautiful". Too many times to count.

Alfred passed in 2016. Patricia's unflinching faith in the Lord has carried her through that loss and has been her strength.

She is survived by her son, Alfred Patrick Nulph of Chester, Maryland, daughter Genevieve Marie Berube (husband Peter Berube) of Lutz, Florida and her grandson Matthew Peter Berube.

On her 90th birthday she said to the family "I've had a wonderful life".

Respecting her wishes, there will be no funeral services. There will be a private burial with immediate family.

She wishes only love and prayers, please do not send flowers.

*What a beautiful, fitting tribute to a Woman who knew what mattered. And a reminder to those of us on the Back Nine to Live A Wonderful Life.*
