“ As longtime Calico person-I have know Pat for many years. Her "twinkle' was bar none-her design intuitiveness was perfect-her store always inspirational and her personal communication with me was so special I shall miss her presence on this earth greatly and feel lucky to have known her.

With deepest sympathies to her family,

“ My heartfelt sympathy to Pat's family and friends, Pat will be missed very much. Pat was so creative and fun and she had a way of reminding all of us over the years to enjoy the simple things in life....a cup of tea, a good book, an old fashioned Christmas pin, kitty cats, Tinker Bell, the list could go on. She always made you laugh.....Pat touched so many in her life.##imported-begin##Teresa Jacobson##imported-end##

“ My sincerest condolences to all of Pats family and friends. I have such vivid and fond memories of Pat...from the little things like her saying "Hey Miss" and then giggling, to her being the first to help me when I was new and needed a hand; I am blessed to have known her and have her as my friend. Her passion, drive, creativity and giggle will be sorely missed. Barbara##imported-begin##Barbara Ellis##imported-end##
