“ Trish was diminutive in stature, but had a big heart. Despite her size, she was a force to be reckoned with; and her late husband, Don, sometimes referred to her as the “Little General.” She had a great sense of humor, and was a wonderful neighbor. Her father had served in World War II, and left her great sense of duty for the care of Veterans and their families. It led her to join the Auxiliary of the Veterans of Foreign Wars Post 7464, where she served in various capacities, including President of the Auxiliary. She also Volunteered in the kitchen, often donating baked goods, to raise money for the Post. She will be missed by all who knew her.

“ Tricia was a true friend and neighbor. My late husband Don and I spent many good times sharing meals, crabbing and oyster farming with Tricia and Don. She shared my hobby of Depression Glass collecting. We kept in touch even after we moved to Florida .She had the most giving heart and always had a smile for all. She will be missed by family and all who knew her. Peace and Love to her Sisters and Brother. Love Shirley Wise

“ Condolences to the passing of my friend for 60 years. We went to elementary, junior and senior high schools together and shared many wonderful times together. Patty, as she will always be to me, loved to go to the casinos and shop. I happily went along with her even though gambling and shopping wasn't my thing. Just being with her was enough for me. She will be missed.
