“ *To Mr. Jack and Miss Patsy, I just want to send my deepest condolences from Mom, Russ, and myself. Miss Patsy and Mom had been friends since kindergarten. They loved to spend time together along with Miss Joan. Dad and Mr. Jack became friends because of the ladies. Both of your parents will be missed.*

“ Mike, Gina, Marla and family your folks were always some of my favorite people. I remember when I coached Gina then Marla in softball and I could always count on them to be in the stands cheering us on. I know the loss is great with losing them both so close together. But we know they're together in paradise with no pain, only joy. I pray for peace and strength for all of you
