“ Pat was my aunt, taken way too soon. She was such a special, wonderful, beautiful part of my life. She was a sweet, caring, generous, and loving person who was fun to be around and did so many selfless acts of kindness. I never thought she would leave this world and I miss her so much and think about her every day. She touched the lives of many, with her smile, laughter, kindness, and overwhelming love to everyone she came in contact with. I have so many amazing memories with her and am so grateful I was blessed to have her as my aunt. I know she is now reunited with my Grandma and Grandpa and all her dogs which she loved so very much. I hope whatever she is doing on the other side is everything she loved here on Earth and I can just picture her smiling now. I love you very much, Aunt Pat!
