She was a beloved member of our Quilting Bee, Baltimore Album Bee of the Eastern Shore (BABES). We will miss her smile and treasure her memory always.*

“ Ms Wood was my neighbor for many years. As I got to know her better I would visit more often. She always had stories about her family and her passion for quilting. She always had a little dachshund by her side for company. She was such a beautiful person and always positive about life. Enjoyed my many visits with her and will truly miss my neighbor. I was with Pat Wood for several hours one day a week since January. I learned to know her for the beautiful person she was, her many hobbies with sewing and her lovely Quilts, embroidery, and wall hangings among many other beautifully made crafts. She touched many lives and looked for ways to help each one learn. She loved to tell me about her family, but most of all she loved to talk about her son and daughter-in-law and twin grandsons. I loved her sense of humor. Pat wood enriched my life by knowing her. She has found her resting place.
