“ Diana, JoyLynn, Sandy and Sammy,
As we said on Saturday, when its one of us it hits home like no other....but remember we were all brought up with a strong faith and the knowledge that God has a plan for each one of us. We will never understand why we have to lose our brothers and sisters at such a young age but you and I know we will all be together again one day...do they have willow trees in Heaven?.... if so I am sure Patti will be there waiting for us!##imported-begin##Lori Collier##imported-end##

“ It was with great sadness that I learned of the passing of Patti. We graduated together from QACHS. My parents used the QAC Senior bus for many years and were always so happy when they got to talk to Patti. She went out of her way to make sure that my parents got to all of their appointments. She was a caring, giving and compassionate person. She will be missed by all those whose lives she touched. The senior citizens of QAC have lost a good friend. She left this world much too soon. God speed Patti. My deepest sympathy to all of her family.##imported-begin##Brenda Anthony Tryon##imported-end##
