“ Hi Bill,

I met you in church on Sunday at the early svrice. I just want you to know how very sorry I am about your Mother's passing for you and your entire family. From the obituary I see you have lost both of your parents this year and that must be so tough. I know that God's sweet grace will carry you through this and to know that they will meet again in God's presence.

Your mother was a very sweet woman and will be missed terribly. I will be out of town on Friday and will not be able to attend the service but please know my thoughts and prayers are with you and your family.

May God's peace be with you, April##imported-begin##April E. Walters##imported-end##
