“ I remember Patrick like it was yesterday in my 3's class at st Mark's. He was a fun loving little boy. Always HAPPY with a wonderful smile. I remember he loved PBR-professional bull riding. He talked about lil yellow jacket and blueberry (I hope I got the names right). I had the privilege of having Caroline and Maggie as well. Amanda and my daughter Molly graduated the same year, all wonderful children. My heart goes out to all of you 💔

“ Patrick and my younger daughter were in the same grade at Saints Peter and Paul, and Jillian remembers Patrick sticking up for her on the playground when they were younger. I will always remember the close bond he had with his dad, and how we always enjoyed meeting up with them on the water. Love to you all.
