“ *I worked with Pat at United Shellfish. I was a driver there. When he found out I was missing a finger, he started calling me “Thumbs!” I never let anyone else call me that but him. He always made me laugh and always had a joke for me when he thought I was upset. He will be missed by all.*

“ I never even met the guy & I think he was great! I am a new hire at United shellfish, pat was on vacation when I was there. My job is “outside sales”
Pat was assigned the almost impossible job of making me sound like I know what I am talking about. I bombarded him with stupid questions, he was very patient , told me the only stupid question is the one you don't ask.

“ *I have been trying to find the words to say about this great guy. I worked with Pat at United Shellfish for quite a few years. He was such a pleasant person to work with. When my grandkids would stop in he would tell them that I was going to buy them a pony. Pat was such a character and we all loved him. My thoughts and prayers go out to Susan and family. He will be missed by so many people.*

“ To say working with Pat at United was a joy, would be an understatement. He was always fun and ready to joke to make the day go by faster. When I changed jobs, he was my salesperson, and I still got to speak with him and endure his teasing daily, but I wouldn't have had it any other way. I've been trying to think of the perfect words to say about him, but then I remember the times he'd call my desk from his and tell me I'm talking too much haha So I'll just say that Pat will be missed beyond words by everyone!

“ Pat has been my son Mark Pinders work partner, friend and golf partner for more years than I can recall. We all loved Pat as he was a special person. My son is struggling with this loss as is everyone at United Shelfish along with everyone who knew him. I always felt he was family and sent food from our lunches and desserts by Mark.
I pray for Susan and all his family and hope you find comfort in knowing he has a place in heaven until you meet again. RIP sweetheart
