“ Gena, I am so very sorry to hear about Paul. I'll never forget our time in Greece and Turkey together. He was one of a kind and always kept me laughing. Paul and I had this private joke going on that we hope to God that we never had to see another ruin in our life. He was a very kind, funny, and sweet man and I'm so glad that I got to go on this trip with Carolyn, but the highlight of the trip was getting to know you and Paul. He was loved by many and will be greatly missed. You are in my prayers 🙏

“ Eugena - I am so sorry for your loss. I happened to be thinking of you today and I was shocked to see this news upon doing a quick internet search. I know we have lost touch in recent years, but I have such fond memories of working for you at the ARC and appreciate all you did to help make me into the professional I am today. I remember meeting Paul a few times and he seemed wonderful and no doubt greatly missed. I hope that the love of your family and friends will lift you up and carry through this darkness. Sincerely, Erika Johnson

“To know Paul and being his cousin, a honor. I'll always remember when I was a kid Paul always came over to take me out. I was about 13 he was 18 and I thought I was something else. As years went by we grew apart. But as soon as we saw each other it was always great. RIP MY DEAR COUSIN.

“Gail and I were fortunate enough to spend an hour with Paul two Sundays ago through the window at the Corsica Rehab Center. One of the things he told us he was thankful for was he had the opportunity to tell his family how much he loved them. He said he didn't always speak to them as much as he might have liked, not because of anything adverse, but his illness gave him the opportunity to express his love to all in his final days. Just thinking about him brings a smile, we will miss him.
