“ Mrs. Ann, Ben, Brian, and to all of the Elburn Family; Things that have happened this past week have been unreal. I am working my Florida Territory in sales for two months and cannot be there to give you a deserved hug in person, however. my thoughts are there with you and your family. Life is fragile and short. This past week i was working with a very good customer on the phones in clermont florida and as i was talking to him, he had a massive heart attack, dropped the phone and passed on. he was 52, Then there was Mitch usilton, that was 52 as well, and Now Mr. Paul, which was a pretty cool person, and loved by many. I have so many memories of early childhood at your home on Spring Cove. Mr. Paul was a Dedicated husband, Father and dedicated to all of his family. I will be thinking of you during this difficult time. Please call or email should there be anyting i can do to lesson your pain.
