“*Jim and Betty were neighbors who warmly invited us to our new community when we moved to Bayleigh Chase. While we interacted with Betty more often, Jim was always gracious, and his telephone voicemail message reflected his charm. One gorgeous sunny day when we were all outside, a plane flew overhead, and Jim's face lit up. That moment made a wonderful memory of Jim to hold. Caring thoughts are with his daughters and his entire family. Clinton and Kathryn Pettus*
