“ Paul, you truly made a difference in my days at Crumpton from the Saturday coffee and donuts, your kindness to my family including Jim the dog who loved you, your flare for decorating for the holidays, I will never forget the Christmas wreath you made me and the magnolia blossom you picked for me. I loved hearing about your West Virginia family and your memories of growing up, going off to college and travel adventures. Over the years, I have admired your courage in dealing with the treatments and how you carried on with life in great style. I learned a lot from you and I will miss you. Your neighbor, Nancy Mourse
