“ *I worked with Paul, both before we were fired in 1981 and after we were rehired in 1997. His was one of the few who's stories and sense of humor gave many of us something to look forward to when we came back to work after our days off. He is one that I will never forget. Judy and I offer our deepest condolences to Ann and the rest of Paul's family.*

“ *Leslie and I were close growing up. Many wonderful times at Ayn't Eveie's. Steamed crabs, lightning bugs at dark, swinging as high as we could in the big tree. I did not see you much after we became adults, but always loved you dearly. You had the very best soul. Your kindness to everyone was so special, in your quiet way. Hugs and love to tou in heaven Les. I know you are there. There was few souls as good as yours. My condolences to your children and all who loved you. We are in Fl. for the Winter. Will miss your service. God speed. Doar in the heavens, with our relatives. I love you. <3*
