March 20, 1929 - August 23, 2018

Pauline Mary Lipocky, aged 89, died peacefully on August 23, 2018, in the community of Integrate Bayleigh Chase in Easton, MD.

Pauline was born in Cleveland, OH, on March 20, 1929, daughter to Michael and Elizabeth Haladey. She grew up in Cleveland as the middle child to her late brother, Joseph, and her sister Mary Lou Hriczo.

Pauline met her husband Raymond Lipocky at a high school dance and soon after they married on October 8, 1949. Pauline and Raymond moved their family several times during their marriage and settled in St. Michaels, MD. Throughout their 68-year marriage, she was a devoted Catholic who always put God, her husband, and family first. She was the shining example of happiness, love, and selflessness to anyone who had the pleasure of knowing her.

Pauline devoted over 1500 hours to the Easton Cancer Center – UM, Shore Regional Health, working tirelessly to help others who adored and needed her tender touch. Next to volunteering, her passions included cooking ethnic food for her family, dancing to Tom Jones music, and cheering on the Baltimore Ravens.

Pauline and Raymond had a large and beautiful family to include six dedicated children; three daughters-in-law and two sons-in-law who all

adored and cherished her; Garry Lipocky of Camillus, NY, Dr. Tony and Cindy Calabro of Trappe, MD, Alan and Joanne Lipocky of Medway, MA, Ray and Lori Lipocky of Columbus, GA, Mark and Lori Lipocky of Charlotte, NC, and David and Mary Burke of Severna Park, MD. Pauline was also blessed with nine grandchildren, Mike McKenzie, Hailey Hays, Chelsea Lipocky, Sarah Lipocky, Andy Lipocky, Eric Lipocky, Anna Lipocky, Grace Burke and David Burke, III, who will all miss her endless love and care of them.

The family wishes to truly thank all of those who sincerely cared for her during her time at Integrace Bayleigh Chase. Their unending dedication to her comfort and care will long be remembered.

“ *I am so sorry to hear of your Mom's passing and extend my sympathy to each of you. She was a wonderful lady. I had the opportunity to "work" with her at the Cancer Center for several years.. she, myself and Janet Bickert who died last year, were the Tuesday afternoon volunteer 'staff' until the Center went computerized!! I guess 'they' thought us more mature ladies couldn't adapt to the new technology! Pauline and I had many chats about our kids and our retired life and sympathized about some of the changes - some good, some not I am even more sadden for you all having read of your dad's passing a few days later. The good thing is they are both at peace at this point. Prayers to give you strength at this time are going out to you. Debbie Hayes, Hospital Auxiliary volunteer*
