“ *Dear Karen, May the lord be with you this morning as you pay tribute to your wonderful mom mom... what a treasure and a blessing to have her as part of your life for so many years and although I know your heart will be so lonely without seeing her here with you, I bet her guidance from Heaven will make you smile with pride and joy. It's already clear you've learned a lot from her and have passed that on to your children, so she will live on in your loving heart for always. I am so sorry I cannot be there with you today, but hope you know I'm thinking of you and praying right along with you, my friend. Lots and lots of love to you and yours.##imported-begin##christy##imported-end##*

“ Mom-Mom was an amazing woman, and I am going to miss her for the rest of my life. She has always been there for me, took care of me, and loved me for who I am. She was a "no-frills" kind of woman, just a plain and simple lady. She loved her family, her husband, and all of her previous pets. We all will miss her and love her forever. She has taught me that it is the simple things in life that mean the most and letting those you love how much you care. Live for today, because tomorrow may never come. Do unto others as you would like done to you. I love you mom-mom, and I am going to be lost without you!##imported-begin##Karen Ann Kelkowski##imported-end##

“ Mommom - It hurts so much to know I will never see you again. I will miss seeing that look you gave us when we would call you Pearl, but most of all I will miss the last hug you gave me and you telling me "love ya". Tell my Dad, Pap and Aunt Faye I Love them and miss them too. Love, Bonney and Gene##imported-begin##Bonney & Gene##imported-end##
