“ In the very last days of her life, Miss Peg made a lasting impression on the two of us, when we had the privilege of meeting her and her children at the Hospice House. We looked forward to her greeting (and her beautiful white hair each day), and we were happy to share time with her family. Your warmth helped us so much. In fact, when we first arrived at the Hospice House, Barbara and Bonnie were like angels to us – they told us just what we needed to hear at the moment when we were making a difficult decision. As we got to know Dianna, Dick and Luke as well, each of you made an impression on us, and it was a privilege to have our paths cross during such a difficult time. To raise such a caring, lively, family, where each one of you is different but special is the best legacy anyone could hope to leave. Our thoughts and prayers are with your family, and we hope to see you again!

With love and sympathy,

J.C. and Kelly Feil
