“ *It's been a very long time since I worked with Peggy. It was my first job ever and that with the Department of Transportation. I remember her as being such a kind, kind person with a laughing spirit. She helped me in my first job as a 17 year old girl fresh out of high school from the hills of West Virginia. Sorry I didn't know you longer Peggy and I am really sad in doing a search for you....found you here. And though the photo shows her with silver hair, there's no mistaking that was the Peggy I knew. My condolences to her family...she was a great soul (from Molly (Manko) Isaac*

“ To the Waller Family: I wanted to send my deepest and sincere condolences during this unfortunate time in your lives. As humans we want to live, and we want to enjoy life with those we love. It is only natural that we yearn to see our dead loved ones again. The Bible teaches that most people who have died will be resurrected, the Bible promises this at John 5:28,29 which in part reads: " those in the memorial tombs will...come out." Your family will be in my prayers, my sincere condolences.

“ Peg will be sadly missed at Grasonville Senior Center. She and Sal were such a delightful couple. We enjoyed getting to know them both through senior center activities. Thoughts and Prayers to Peggy's friends and family.
