“ Lighting a candle for Petrus. I will always remember the good times, that mischievous grin and the sparkle in your eye when you were up to no good. May the memories help your family during this difficult time.

“ Pete, I have many fond memories of fun {and mischief} when we were younger. You were like the brother I never had. I wish we had kept in closer touch over the years. You will continue to be missed. I thought of you often last weekend when I was deer hunting. Rest in peace until we meet again.

All the memories I have of our childhood will always be in my heart as the best times of my life. As we became adults and went our separate ways, we always found our way back together. I was so happy to spend time with you over the last couple of years. You had such a great spirit and a very kind heart. I will never forget the way you would smile at me and then give me a wink, just to let me know it will be OK. You will be missed so much by all who knew you. Love you Pete!

For years of my life you were known as my "Uncle Pete" because of being Brandys best friend we were like family. Then in recent times you gave me the greatest gift I could have ever asked for, your son. In your final days you made me make you a promise, which I will keep. I promise you I will keep your son happy and love him always and be your daughter in-law. I miss you so much already! Im doing whatever it takes to keep John and Mitzi happy and help them with your loss. Its not easy we all miss you and love you Peaches! Rest Easy Pete<3 xoxoxo <3
