

Petrus H.M. Nankman

February 7, 1942 - October 31, 2008

On Friday, October 31st 2008, my beloved husband Petrus Harmannus Maria Nankman passed away at the age of 66. His death was sudden and unexpected and came as a shock to me and all those who knew and loved him. Piet was a kind, warm, intelligent, generous, talented and beautiful person. He loved life and people and was open to the world around him.

He was born in Groningen, The Netherlands, in 1942, was trained as an anthropologist and town planner at the University of Brussels and spent most of his life working in developing countries helping those in need of international aid. He had an interesting and fulfilling life, the kind of life he wanted for himself. He was full of energy and vigor and devoted himself completely to his numerous projects. He died in the middle of his last and favorite one – building our home.

His death is a terrible loss for me, his daughters and granddaughters, his family and friends.

Services will be held in private.
