

Philip Joseph Lasker

December 31, 1939 - May 21, 2023

Philip J. Lasker, born on December 31, 1939, passed away suddenly on May 21, 2023. His wife, Adrienne, daughter, Kristen, and son, PJ, will miss him greatly.

Phil considered his family his life. Phil adored his daughter Kristen and his son PJ and shared an extraordinary love for Adrienne, his wife and best friend of 54 years. They were his world.

A strong, quiet man, Phil was skilled at a diversity of talents. He was an entrepreneur who started Infrared Services, Inc. 50 years ago. Phil's engineering knowledge, skills, and creative thinking brought new technology to the field of infrared forensic diagnostics. He was known as the "original Dr. Phil" in his field and traveled extensively for the fortune 500 companies that depended on his technological services.

A proud Army veteran, pilot, skydiver, water and snow skier, gardener, target shooter, student of Zen mindfulness, philanthropist, captain of his boat "Invictus," and lover of a really good breakfast, Phil was a renaissance man in his own right.

Phil also leaves behind his sisters, Susan and her husband Nat, Elizabeth and her husband Richard, and Karen, along with his loved nephews, nieces, their

beautiful families, and many friends.

Our good Lord has welcomed Philip into his arms, where he will be reunited with his mother, Alice, father, John, sister, Judy, and brother, Johnny.

A Mass of Christian Burial will be held at 11a.m. on Monday, June 12, 2023, at Sts. Peter and Paul Catholic Church, 1210 S. Washington St., Easton, MD. A graveside service with military honors will follow at the church cemetery.

In place of flowers, Phil had requested that donations be made to their son's special needs trust to support PJ's lifetime requirements for care. Donations may be made to: Lasker Family Trust, Attn: PJ's Special Needs Trust, PNC Bank, 104 Marlboro Ave., Easton, MD 21601.

“ It’s difficult to express my most favorite time spent with Philip as they all were so very special. I have never met a more interesting, accommodating and friendly individual and he will be sorely missed. However, I have given some thought and I have come up with one visit to the Eastern Shore that was outstanding in my memory bank. It was just a few years ago, when Phil took me on his boat and we cruised the Chesapeake down towards the Cambridge bridge. It was a wonderful day for sailing and I so enjoyed seeing that beautiful part of Maryland from the water. Phil was an excellent boat Captain and, like most things in his life, he did it very well. We had a lot of things in common, like flying, our infrared thermography career, as well as a love for new adventures. He is a person that I feel privileged to have known, and I will truly miss him.
Frank Caruso, Adrienne's cousin
