“ Pat:

It's times like this our faith is truly tested..... It is very hard to digest you leaving us so suddenly, but at the same time, I accept that God called you Home to be with Him. I am very fortunate to have worked along side you, as a Trooper and to spend time with you in a non-professional atmosphere while hunting and fishing. I especially enjoyed watching you cast your lure onto the pier and get snagged so that I was able to land more fish than you. I know you were a better angler... You always offered to help with any project I tacked and even showed up at my parent's house with your chipper-shredder to clean their yard after a big storm. You never asked for anything in return except for a dinner every now and then. You ended every phone conversation with " Be safe and call if you need anything". You meant it... I could go on and on about your selfless deeds... I want to say thank you for everything you did for me and for my family and I (we) will certainly miss you.

Sincerely,

Pat, You have been a wonderful friend for the last 18 yrs. and we will truly miss you. We had some good times at Cancun Cantina and Mailibu's on Friday nights with our little group of friends. We were so happy when you joined the Free State Corvette Club--I hope you got to wear your Corvette jacket you bought in OC. Our love and sympathy go out to the Nolan family. “ Pat, I will always remember when you would come to visit and saying, "howdy ma'am. Forty years of knowing you, even before I met Chuck, who will miss you more than you could imagine! Chuck always teased when you would come by the shop that you actually thought it was Home Depot...
Our family will always have you in our thoughts...

“ Although our paths crossed many times over the years, it wasn't until this past year that I had the opportunity to witness Pat's loyalty, devotion, and unconditional friendship with Jack, that I truly learned what it really means to be a friend. I will treasure the memories, remember the laughs and find comfort in knowing that he has joined an army of angels to watch over us all. Taken too soon....Love

“ *Pat:*
you are one of the best friends i have ever made in my life. You have always been there for me...you have always been so helpful. I can not believe the news of your death. you had so many plans for the future. you always ended out conversations with BE SAFE!!! Why you...why did this have to happen to you???
we was suppose to meet for lunch Friday...when you didn't show up or have your phone on..I started to worry. If you said you would be there...You would be there!!! once I could reach you by phone I started to worry. Then I saw the news on what happened. I was shocked by that report.
Buddy everyone one will miss you..me especially. This has hit me hard.
love ya man...!! Be safe!!

I can only say that all of his service to his community and his country was extraordinary. Since I cannot say it to him, I will say it to you: Thank you for all of his service. Peace be with you.*
