“ *Phil was a true animal lover and his peaceful personality made him an ideal farmer for handling all kinds of critters. I worry about his little dog, who was so dedicated. As was Melissa, Phil was great with handling my old horse Grady at Michael's farm. I'm so sorry for y'all's loss.*

“ *We know a true leader by their actions. I'll never forget when he was a chef and I was a young teen dishwasher.....I had pots and pans all the way down the hall one busy night. It was late and everyone went home....except Phil. He stayed with me and helped me clean those dishes. I'll never forget the lesson I got from that.. I'd have done anything for him after that. A truly good man*
