“ *I only met Mr. White once, but it was wonderful meeting him. He had a great personality- I remember giving him a hug whether he liked it or not. You're in my thoughts and prayers Kim, Tyler, Alex and Nick.*

“ I knew Phil from the Middle School in NJ. We were friends for many years before I left for the Midwest. After returning East we were in contact once again. I had not seen him for the last few years, but my visits to Easton in the early 2000s meeting Kim and the boys were always enjoyable. I will remember him as someone who had a deep love of fishing, often getting up well before dawn to fish for bass in NJ and later the Chesapeake bay in his boat. I also remember the times he talked about his sons and how proud he was of all of them. His sense of humor was one of his outstanding traits along with an infectious laugh that one could not help but be carried along in mutual mirth. My heart goes out to Kim and the boys, his brother and sisters and parents. It was honor to have shared many great times together with Phil. David

“ I was in the NJROTC with Nick, Alex, and Tyler. Although I didn't know their father personally I am sorry to hear of his passing. When I did see him, it was at Giant and Tyler was 'flirting' with his 'boyfriend' while their mama just shook her head and smiled. He really seemed like a great father with a fantastic sense of humor and he raised three really awesome guys. I'll be thinking about you all.
