“ Dear Pinder Family,  
I've had many relationships, both personal and business. I considered Wayne to be both an excellent business friend, but an even a better personal friend. In my entire business career/life I've never met a more honest, respectful, intelligent and caring man. I believe that we're never too old to learn, and I learned from Wayne. It may sound selfish, but I believe that my life was enriched because Wayne Pinder was in it.##imported-begin##roy kirby##imported-end##
