“ *Phyllis, Fred, Dickie and your loved ones, I am so sorry she was such a special "Lady". Phyl, oh, the memories came flooding back; childhood, teenage times, and lets not forget Baltimore, and now our "golden years" and your Mom was there cheering us on, correcting us, and wondering what Nancie was going to get her daughter into. My Prays are with you and your family. Love you always Nanc. Bill and Bryan send their love.*

Phyllis and Fred, Dickie and Norma, what a wonderful life and what a wonderful video tribute bringing back so many memories of our shared childhood. May you find comfort in knowing that she is back with your dad, safe in the arms of God. I think the whole group is back together so they can play cards on Saturday night. Claudia and Chalk
