“ *I'll never forget the many good times we had with Phyl and Jerry. We took so many Sunday road trips and played many a game of cards. We always had a good time. They were a special couple --- together again at last. They were both way too young to leave us.*

“ *Any time that I have been at Tilghman Church from the time I was there leading the choir until just a short time ago she was always there. She was a wonderful person. I know she was filled with the Spirit of God and that she is now in a far better place. My thoughts and prayers are with you in this difficult time. May God's Spirit comfort you. Tommy Ball*
