“ My fondest memory of Miss Phyliss was keeping score with her at all the baseball games. I had always played ball with the boys but when they started little league girls weren't allowed. My feelings were so hurt Miss Phyliss let me keep score with her to make me happy. I will never forget.

“ Phyllis was my father's first cousin. I am remembering all the summers I spent on Tilghman at my grandparent's and the fun times playing every day at the Sadler's. They are the best memories of my childhood - She taught me to ride a bike, and Ken, Roy and I would spend all day outside fishing, swimming, playing, and then in the evening we would take a boat ride. She welcomed me everyday, it was never an imposition to her. I don't think there was anything Phyllis couldn't do. She was an athlete, a musician, had a beautiful singing voice, a great cook, worked with Monk on the water when needed, a Postmaster, a good mother, and an all around wonderful person. She will be missed by everyone who knew her. Judy Frampton Snyder

“ I am so very sorry to hear about Mrs Phyllis's passing. I grew up on chicken point rd. My funniest memory of Mrs Phyllis was when my Brother Chris Cummings and Michael Hayden and myself were playing knick knock on doors and running except one night they decided to tie my to Mrs Phyllis's porch railing before knocking and leaving. Boy was she surprised to find me on her step tied to the railing. Such a sweet lady. Tilghman lost a good one. God bless you all.
