*Our Hearts Are Broken Forever*

*Phyllis our hearts are broken forever,  
People tell us that in time the pieces will eventually come back together,  
If this is true, though hard to believe now, there will always be a space,  
The piece to which has your name on its place.  
Tears have been falling now for so long,  
When we think of your beautiful face it all seems so wrong  
You had so much to look forward to and so much left to do  
But God needed somebody in heaven who is as special as you.  
Nothing is the same now and we doubt it ever will be  
You have been released from pain and suffering, you have been set free.  
Your story has touched people, all ages, near and afar  
On the night you were taken from us, in the sky was a lone twinkling star.  
Was that you to tell us that you had reached home now?  
And from life as we knew it, it was time for you to take your final bow.  
We miss your voice, your infectious laugh and hearing you sing.  
Fashion you loved and now you have new accessories a pair of Angel's wings.  
The world has lost a wonderful girl, a true and amazing friend.  
But maybe her goodness was needed to help and from heaven she needed to send.  
Phyllis you are always around us, engulfing us with your love  
Giving us strength, keeping us close and watching over us from above.*

“ *I loved Phyllis very much. She was a big part of my growing up years. I have so many good memories of all the fun we had as a family. She was so funny and loving! Many times I rode my bike to their house and she always took time for me. I admired all my older cousins and they always made me feel welcome and loved. I know God has a very special spot in heaven for her and I look forward to seeing her again when my time comes! My prayers are with all of you and I will always be here if you need me.*

*I was so sorry to hear about Phyllis's passing. I will always remember her for the wonderful loving and cheerful person she was. No matter how she was feeling she always managed to muster a smile and a kind word of encouragement. My heart and prayers go out to her family, I know she will be deeply missed. I've missed her since she left Westinghouse and was always happy to see her at the occasional retirement party that she made it to. May she rest in peace in God's loving arms.*
