“ Randy was a great man. He could always make anyone laugh, but it was those in depth conversations with him where he truly showed his heart. He was always so proud to talk about his grandchildren. I will truly miss him. I will continue to pray for all impacted by this loss.

“ *Randy has an amazing heart. He would always offer you the shirt off his back if he had one on. Deep down he drowned in addiction to prevent him from showing just how much love he had but thanks to his daughter....She got him sober and enjoy the true love and meaning if her dad. He got to know his grandkidsPlay and learn to be happy with himself. God you all*
