“ *Ravin, we only got to know you a few short months from the beginning of the school year until just this past Thursday. We never got to tell you how much of a blessing it was to have you on the bus with Addy and the rest of the little ones. A big position will have to be filled on the bus now and no one will ever fill it like you. You will be missed and are in our prayers along with your loved ones you sadly leave behind. Rest well "Miss Ravin", we know you're looking down on all of us as a new Guardian Angel.*
