We didn't know Mr. Ray real well. But mostly saw him at ball games for our grandchildren. He was always smiling & very friendly. We enjoyed talking with him and especially remember that he always brought candy for all the little ones. Your family will be in our thoughts & prayers at this difficult time.

“ Life just won't be the same without Uncle Ray. After my Dad he was the closest thing I had next to him. He was also always there for my dad for many years while he was sick. If he wasn't bringing cake or rolls that he and a Aunt Becky made he was sharpening the lawn mower blades and anything else needed. He continued after Dad died to always be there for Mom and our family. I will always remember him as a loving family man, hard worker, doing for others, saying words of encouragement and always bringing a smile to my face. I will think of him with every car I buy, seeing beautiful gardens, butterscotch candy he used to give me at Church when I was little, and many other things that he and I shared throughout the years. I will cherish the time I spent yesterday in the hospital with our family and being able to tell him I love him and getting my last kiss like I got every time I saw him. i just wish I could take the pain away for all he left behind. The only comforting thing is knowing he has reunited with "Little Ray" and his other loved ones in heaven. I will never forget you!!

A Measure Of A Man: by Grady Poulard

The measure of a man is not determined by his show of outward strength or the volume of his voice or the thunder of his actions or of his intellect or academic abilities

It is seen rather in terms of the love that he has: For his family and for everyone. The strength of his commitments. The genuineness of his friendships. The sincerity of his purpose. The quiet courage of his convictions.

The fun, laughter, joy and happiness he gives to his family and to others.

His love of life. His patience and his honesty and his contentment with what he has.

Rest In Peace - Denise

“*Mr. Ray was a loving, caring and a family man. His family and community was everything to him. George loved spending time with him at his job from time to time and we both have had the opportunity to have many of his family in our life. What a strong family they are and with each other they will get through such a difficult time and remember all the fond memories they share. Remember now you have 2 special Angels looking upon you all and they will keep you safe all the time. Laura and Katie no one wants to loose their Daddy and know that he loved you so much and keep this family going forward very strong. He talked about you all the time to us. Sending loads of prayers and hugs for each and everyone of you through this time. Please give your Mom a hug for both of us and wishing you better days ahead.*
