

Raymond J. Gellert Sr.

August 14, 1958 - December 8, 2016

Raymond J. Gellert, Sr., passed away at his home December 8, 2016, due to natural causes. He was 58 years old.

He is survived by his mother, Barbara Humeniuk; two sons, Raymond, Jr. and Justus Gellert, (Justus's mother, Shelia); one brother, Larry, "Zeke" Gellert; four sisters, Debbie Wood (Bill), Pam Kline (Billy), Tamra Elliott (Kenny), Colleen Gellert (Danny); six grandchildren; and many nieces and nephews.

Ray loved all animals (domestic or wild) and anything to do with nature. He found a lot of joy, and was quite talented in making jewelry and other items out of things he found on nature walks.

A memorial service will planned and announced at a later date.

“ *It's been 3 weeks kiddo and still so hard to comprehend that you're no longer with us in body, but I hope you know you will ALWAYS be with us in our hearts and how sad and heartbroken we are that you were taken from us so soon. The ONLY thing that makes it a little easier is knowing you're no longer suffering....and that you're safe, at peace and watching over us, forever with us in spirit. I hope you know/knew how much I love you, as well as so many others. Missing you more than words can express. Sending lots of loving hugs your way kiddo.*

My dear sweet brother you are going to be greatly missed by most. You had a heart of gold and a smile that would light up the world. We had some very fun times together that will forever be in my heart. Last summer was the best and Bill thought/thinks the world of you as do I. You are now at peace my sweet brother never have any worries, pain, or feelings of loneliness you are compete and free now so "FLY MY SWEET BROTHER THE WAY YOU WERE SUPPOSE TO REMEBER SWEETIE YOU ARE THE PHOENIX OUT OF THOSE ASHES THAT HELD YOU HOSTAGE FOR SO LONG". Rest in Peace Ray you deserve the peace you have now, more than most that I know, I love you dearly, miss you bunches but I will never ever forget you and I know you are the Guardian Angel sitting all of our shoulders and keeping us safe. Hugs ,love, and kisses baby keep Prancer and my kitties entertained. Now you will be able to see Jimmy Hendrix in person how about that enjoy. oxoxoxo love ya

In addition Ray loved the ocean nature walks I guess you could say he loved being outdoors not indoors. He loved he loved animals and loved helping them heal and he had an uncanny knack for healing the hurt animals. Ray was an extremely talented person and loved teaching people in many ways. His talents were not appreciated by too many individuals he came across. Ray was also extremely intelligent and loved reading about many aspects of life and some of those things Ray was versed in very well. He loved Wyoming and New Orleans said they were very fun places to be. Ray was an exceptional down to earth person I dear brother appreciated everything you had to offer this weird world I think you understood it more than most. RIP
