“ Ray will always be our sunshine. He always lit up a room when he walked in and always had a smile on his face. I remember he would always do or say little things to me being onry - teasing me- then would grin that you would just know he was up to no good in a fun way.

I will always remember the good times when he and my daughter, Angel Pinder, were in FFA - the best picture of all is those two riding in the Tractorcade - Ray drivin' and Angel ridin' - both grinnin' ear-to-ear and proud as they could be. They were all smiles and lovin' it. As the kids were growing up, they always looked out for each other - in school and as they got older. They recently got to see each other again at the Cordova Bull Roast event - Angel couldn't stop telling me about seeing him and havin' fun again - she had really missed her ol' buddy.

Ray will definitely always have a very, very special place in all of our hearts and memories of one of the most loving and caring people ever.

Our thoughts and prayers are with you - just know that Ray was a twinkling star in our lives and we will miss him so much.##imported-begin##Debbie Mattox Teat##imported-end##

“ I lost a friend but not a memory of a good hearted person. I first met him as a student a second grader who rode my school bus. Gone but not forgotten.##imported-begin##Mrs. Deborah Pinder Nixon##imported-end##
