“ *Was so thankful that I had the opportunity to visit Becky Lou in
November in the nursing home. She was very ill and I knew her
days were numbered. She was always a dear friend and a
wonderful mom to my nephews Chris and Ben. I know she will be
truly missed. I am sure she and Richard are together again!*

“ I had the privilege of working with Miss Becky for many years. Sweet, wonderful, loving and caring for her patients and co-workers. Her ongoing love and support for her family was evident in all she did. I know she will Rest In Peace as her work here on Earth in done.

“*“Miss B” as she was known by a very difficult but loved patient, became my name for her too..She was the kindest, most genuinely decent person I’ve ever had the joy of working with. I remember sitting with her in our smoking area while our unit was in chaos and laughing like 2 idiots over the names that one particulatly psychotic person had called us. We shared a lot and I know that she loved Richard, her children and her grandchildren and her dachshaunds..I loved her with all my heart and will miss her so much..Be at peace...*

“*One of the most kindest and loving persons that I have had the privilege to call my friend!! She was always there for me through some of my darkest times, and I will always be grateful for that! She was definitely an angel sent by God, who spread love, joy, and kindness to everyone she touched. She humbly earned her angel wings and God let her fly to the heavens! She will be truly missed by all she touched, but God decided that her earthly job was done!! Fly high Becky, you will be missed*❤️
