“ *Becky will forever be in our hearts!! Her laugh & smile was contagious!! The way she opened her heart to love others was performed! Words can not & will not be able to describe the genuine manner in which she cared about others!! At Hospice, she was STILL concerned & focused on her family in spite of what she was going through!! To James, Susan, Michelle , Chris & family, my prayers of comfort are with you! I ask in prayer that God continues to keep his arms wrapped around you EVERY moment!!*
