“ *Myron and family, Sad to learn that your dear wife has passed away. It is obvious that she lived a full life with many adventures and accomplishments plus children and grandchildren which I'm sure were the biggest and best part of her life. I pray that God will comfort you and your family.*

“ *Wonderful memories of Becky when we lived in West Chester. We walked every morning with our friend Ann no matter the weather, rain, snow, hot or cold. We played racket ball and I have to say she almost always beat me, at least 2 out of 3 sets! Although we haven't seen Becky for several years she will always have a place in our hearts and know she will be greatly missed. God bless you all and may God's kind of peace and comfort rest deep in your hearts. Hugs from us. Judy and Paul Griffith*
