

Rebekka Ann Mazzullo

January 27, 1993 - December 28, 2025

It is with heavy hearts that we announce the passing of Rebekka “Bekki” Ann Mazzullo on December 27, 2025, at the age of 32. Rebekka was born on January 27, 1993, and raised on Kent Island, Maryland, where she lived her life to the fullest—with passion, grace, unmatched strength, and always a little bit of flair.

Rebekka had traveled to spend Christmas with her father, Doug. On her journey home, she made a few stops to explore, as she so loved to do. While visiting Falls Lake in North Carolina, Rebekka’s life was tragically cut short. While there is never a right way to say goodbye, she left this world doing something that brought her joy—exploring and embracing life.

Rebekka was a loving daughter, a devoted sister, a cherished girlfriend, and a deeply beloved soul to all who had the privilege of knowing her. She touched countless lives in ways too numerous to list, leaving a lasting impression on everyone she met.

She lived with intention and heart, dedicating herself to hard work, travel, learning, and bringing smiles to those around her. Rebekka was endlessly talented—she hunted, fished, skydived, knitted, sewed, collected, antiques, and pursued every interest with curiosity and enthusiasm. There was nothing she approached halfway; she always put her whole self forward, and once her

mind was set, stopping her wasn't an option.

Rebekka is survived by her loving father, Doug; her brother, Robert; her boyfriend, Nick; extended family members; and many friends who became family. She was deeply loved and will be profoundly missed by all who knew her.

Rebekka is now reunited with her beloved mother, granny, and grandad surrounded once again by the love that shaped her so deeply.

Her family adored her. Her friends became family. Rebekka loved deeply and wholeheartedly. She will be missed by so many, and her loss leaves a profound and lasting impact on her community. In her honor, we can strive to live more fully, love more deeply, and cherish life the way she did.

A funeral service will be held on Saturday, January 10, 2026, at Helfenbein's Funeral Home. A closed-casket visitation will take place from 11:30 a.m. to 1:00 p.m., followed by a graveside service beginning at 1:15 p.m. A celebration of Rebekka's life will follow at the Kent Island Elks Lodge beginning at 2:30pm.

“ *Today is the day you are laid to rest, Bek,
and the sky could not stay silent.
Rain is falling like soft prayers,
as if the angels themselves are rejoicing,
welcoming you with open arms.*

*Each drop feels like a blessing,
a whisper from those who came before you,
guiding your spirit home.
Mother Earth receives you gently,
washing away every weight this world ever placed on your wings.*

*You always searched for arrowheads,
little pieces of history left behind for those with eyes to see.
Now you have crossed into the greatest field of all,
where every step reveals a new sacred treasure,
each one a reminder that nothing beautiful is ever truly lost.*

*Shine down on those who love you, baby girl.
Let your light fall like this rain,
soft, steady, and full of grace.
We feel you in every drop,
in every quiet moment,
in every memory that still warms our hearts.*

*The sky is not weeping today.
It is celebrating.
The angels are rejoicing.
And somewhere beyond the clouds,
you are finding arrowheads made of starlight,
left just for you.*

*You were loved here.
You are welcomed there.
And the rain will forever carry your name. □*

“ Rebekka was our sales rep and walked us through buying our home at Four Seasons, always with a friendly personality and yet very professional. It breaks my heart to know that someone so beautiful and so vital has left this world. I pray that her family will find comfort in their memories and their love for her. God bless and God bless her soul.

Rebekka worked with us in buying our condo at Four Seasons and we thoroughly enjoyed the time we spent with her. She was a delightful and engaging young woman and very professional and helpful as a Realtor. We miss seeing her on Kent Island and know that she will be hugely missed by all who knew her.

“ *There are souls who leave this world far too soon, yet somehow leave behind more light than time should allow. Bek was one of those souls.*

She is in heaven now, whole and free, surrounded by a peace that holds everything she ever was and everything she loved. She was deeply cherished here on earth, not only for her beautiful smile or her free spirit, but for the way she made people feel seen, welcomed, and understood. Her laughter carried warmth. Her presence carried kindness.

Bek had a gift for noticing what others might pass by. Whether it was a conversation, a quiet moment, or an arrowhead hidden just beneath the surface, she saw beauty and meaning in the small things. Those discoveries reflected who she was, someone who understood that the most precious things are often found when we slow down and look closely.

We believe heaven holds endless places for her to wander, with arrowheads resting in quiet grace, catching the light as she passes by, just as she loved to find them here.

Our hearts are with your family during this unimaginable loss. Please know that Bek's love, her spirit, and her light live on in every life she touched. Our family is sending prayers, comfort, and strength to all who loved her so deeply.

She will always be remembered, always cherished, and forever loved.
