“ One commander that " knew" Reggie called him "Chief too cool ". Others turned to him for advice when faced with the tough things of life,...he poured into them without judgement. His zest for life was strong and unwaivering. His laughter was shared by many...but equally shared was the love and respect that many shared for him. He touched as many lives as he possibly could. He aspired to inspire!  
My friend and confidant, you will be surely missed. Sweet rest.
