

Rene Kathleen Stafford

June 9, 1962 - November 18, 2021

Rene Kathleen Stafford passed away on November 18, 2021 at the age of 59.

She was born on July 9, 1962, to the late Robert Edward Lee of Grasonville and the late Delores Watts of Preston. Rene grew up on the Eastern Shore and went to school in Grasonville. She later got her Associates Degree in Computer Science at Chesapeake College.

Rene was a wonderfully bright and compassionate woman. She always looked for ways to help others, even when she had very little to give. She loved being a mom and looked out for everyone she could. She also never stopped learning. As a computer programmer in the 80's, she loved keeping up with Apple products and new programming languages.

Rene loved to cross-stitch and other small sewing projects. She was also an avid collector of books, particularly of Steven King novels and classic English literature. She always tried to grow flowers around the house, but didn't always have the greenest thumb. Rene loved going to the beach and enjoying a margarita... or two. And many summers she would visit Ocean City just to sit on the boardwalk, watch the water, and enjoy Thrashers fries with a cold Coke.

Along with her parents, Rene is predeceased by her brother, Daniel Lee. She

is survived by her older brother, David Lee, and her daughter, Dreama Stafford.

A visitation for Rene will take place on Wednesday November 24, 2021, from 10 a.m. to 11 a.m. EST followed by a memorial service beginning at 11 a.m. at Fellows, Helfenbein, & Newnam Funeral Home, 106 Shamrock Rd., Chester, MD 21619.

“ *Renee was one of the kindest people I have ever had the pleasure of knowing. She often commented on photos of gardens I would sometimes visit and we had hoped to make a day trip together. I truly enjoyed when she brought her dog Charlie to visit a few years ago. She will be very missed.*

“ i never knew her well. She signed up twice for the class i teach at Community Christian Church in Salisbury. She was friendly, cheerful and upbeat and contributed to the class discussions. She often responded to class e-mails with words of wisdom. it was an honor to know her and be associated with her for that brief time.
