“ Aunt Rudy, Sis, Pat & John I am so sorry to hear about Uncle Bob. Cousins you may not know that I probably would not be walking today if your Dad hadn't pushed me. I wouldn't have been able to go to 1st grade when I was suppose to if he didn't go to the pastor and threaten him with contacting the press. And there were so many other wonderful things he did for me. I will never stop loving him.
