“ To ms. Donna and Jenny and the rest of your family, I am so incredibly sorry for your loss. I remember when Ms. Donna uses to babysit me. Richard and Jenny were always nice to me and my brother. The world lost such a wonderful and beautiful man. I will never forget the times I was allowed with him. I will cherish them so much. I am sorry I couldn't be home for his services, but I will make a donation in his name to where you asked. I love you all and you all are in my thoughts and prayers

“ *Donna, Jenny and families:*

George and I are so sorry for your loss. Richard spent alot of time with our family and he made us laugh all the time. He was so full of life and enjoyed all the time he spent with his friends. There were so many memories of Richard in Florida and Jelly Fish Joels that George and I will always remember. The one that I think I will never forget is the look on my sons face and Richard when I saw them in Florida and they didn't know I flew in early. Their faces were priceless. We are thinking of all of you including Brad and Jay as you all go through such a difficult time. Know that he is looking over all of you and going to be your angel.

*God Bless You all,
George and Candy Wilson*
