“ *Dicky, you will always have 3 brothers that will have nothing but fond memories of you. We all hated to see you go through so much pain and we will miss you terribly. But we know now that you are pain free and cancer free. There is no doubt in our minds that you wanted to live. I am sure I can speak for Billy and Steve, you were a great brother. When the 4 of us got together there was always fun times. We could have fun even during difficult times. Memories can never be taken from us and we made some along with Mom and Dad. We love you brother.*

“ To the Griffith, Golden and Howard Families, John and I are deeply saddened by your loss. May God grant you peace and comfort during this difficult time. Let His love support you today and this week and give you the strength you need. With heart felt sympathy.

Hans Christian Andersen said..." A human life....is a story told by God."

Janie, Your mom's life and her dear family have had one beautiful story that continues to be told. From listening to your stories, it sounds like a "love story" that many people never knew. This may of been his one desire, as you express. Your acknowledgment is your heart telling you that you have accepted their love as a one true love. I wish we could be there for you, just know our hearts & prayers are with you.

{Love and hugs.} John and Nancy D.

“ I remember the last big hug I got to give him was at his father's funeral. He was always so fun--i will never forget the year his family came to Iowa and we went to an amusement park and he went on the ferris wheel with me and scared me to pieces trying to act like he was going to tip us out of it. Glad to know that he was at home, surrounded by his loved oneslove you cousin! xxoo

“ Dicky was always full of Life and Jokes. He had such a tough exterior but was like a cuddly teddy bear on the inside. He was a protector of his family. He wasn't too keen when the "joke" was on him! 😂 He always had a smile on his face and was always kind. One thing I won't ever forget is the Love he had and showed to my Meme, their Love was so rare! Dicky you are deeply loved and will be deeply missed but I know I will see you again one day. Fly high Boog, Keep watch over all of us! I will see you again one day. I love you!
